## **ALL DERBIES MAY CROSS ENTER**

**GENERAL:** Each division has 2 rounds, with optional bonus points for choosing to jump the higher options.

**Option Fences:** After the judge's base score is given, one point will be added for each high option fence jumped. The overall score of both rounds will indicate the placing of the class. In case of ties occurring in the overall results, the second round base scores (before adding height bonus points) will be used to break any ties. There will NOT be a jump off for tied horses.

**First Round:** Judged on performance, hunter pace, jumping style, quality, substance & movement.

**Second Round:** Judged on performance, hunter pace, jumping style, quality, substance, movement, handiness, and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style.

## **DERBY WARMUP (Saturday, after ring A is completed-Listen for actual time)**

**DERBY will be held in LAJUF WARMUP Field. No schooling is allowed over Derby Fences.
